SEATTLE PRESCHOOL & PATHWAY PROGRAM PARTICIPATION CONSENT

The Department of Education and Early Learning (“DEEL”) partners closely with preschool providers (“the Provider”) to provide high-quality services and supports to your child. In order to participate in the program, participants must agree to the following:

DEEL stores identifiable student data, including enrollment, assessment and attendance information pertaining to your child in a restricted, secure database. Identifiable information may be shared among DEEL, the Provider, Seattle School District No. 1 (“District”), Public Health- Seattle & King County (“PHSKC”) and the Washington State Department of Children, Youth and Families (“the State”) when necessary to deliver services and ensure continuity provided to preschool students rising through the District’s K-12 education programs.

DEEL may securely share your child’s health-related information with contracted service providers to serve your child’s health, educational, and developmental needs. With training and support from PHSKC, preschools may conduct vision, hearing, weight, and height screenings to identify possible barriers to your child’s learning. In addition, providers may administer the Ages and Stages Questionnaire to assess your child’s developmental progress. Results may be shared with the provider, PHSKC, and DEEL so that additional supports may be provided if needed. If additional actions are recommended for your child, the provider will share the results with you.

Assessments are used to inform teaching practices, support professional development, and evaluate the program. Teachers may observe your child’s physical, cognitive, social, and emotional development and record observations using Teaching Strategies GOLD® (“TSG”). Providers and DEEL access TSG using an account shared with the State; TSG results will also be shared with the District.

DEEL Preschool programs strive to prepare your child for Kindergarten and beyond. DEEL partners with the District to evaluate how effectively children were prepared. The District will create student identification numbers for the children enrolled in DEEL’s preschool programs to enable the evaluation of long-term effectiveness of the program by monitoring preschool participants’ progress throughout the child’s K-12 experience at the District. DEEL may provide sufficient information to the District via secure file transfer to create District student identification numbers.

DEEL protects families’ and children’s information carefully under the City’s Privacy Standards. There are some circumstances in which information may be shared with the public if required by law. DEEL’s preschool programs are publicly funded and therefore must abide by the Washington State Public Records Act, including the requirement to disclose non-exempt information to the public. Records related to DEEL’s preschool programming may be requested by and disclosed to the public. DEEL does not release personally identifiable information for children enrolled in our programs or for their family members/guardians. Please see the Privacy Statement for more information.

DEEL may contact you directly or through your provider to survey you on your experience.
