Now Offering Monthly Drop-In Holding Hope Consultation Opportunities!

Monthly Office Hours: Every 1st Thursday, 1-2 pm
Group Consultations: Every 3rd Thursday, 6:30-8 pm

These drop-in opportunities are available for providers to connect with a Mental Health Consultant to ask questions and/or chat about support for children's and caregiver's Social-Emotional Development and Wellbeing.

Email Mica (slater@childcare.org) for the Zoom links to join!

We offer custom trainings!

We provide in-person and virtual options for individuals and teams - all of which earn STARS credits.

A new & improved registration system is on the way!

For the Summer 2024 quarter, we'll have a new (and easier!) way for you to register for classes. This new method will allow you to sign up and pay for multiple classes at once, join virtual classes, find your class and payment history, and much more - all in the same place, on BrightSpark's new website!

Not tech-savvy? Don't worry! You won't need to create a new login, and the BrightSpark Professional Development and THRIVE team will help you every step of the way. This includes offering step-by-step instructional handouts, virtual information sessions, and office hours for 1:1 help!

More detailed information will be shared throughout this quarter - stay tuned!
