To nurture and sustain child-centered, antiracist early learning communities.

Our work is to:

- 1) Help families access high quality childcare and after-school care.
- 2) Increase the availability of high-quality care through coaching and training of childcare providers.
- 3) Advocate for childcare solutions that strengthen communities.

BrightSpark understands the devastating effects of racism on our youngest learners, their families and communities. As a result, BrightSpark holds antiracism as a critical missional and value responsibility of each and every one of our staff.

A young child, even an infant, is learning every moment of every day. A baby's brain grows to 90% of its adult size during the first 3 years of life. Young children learn through observing and exploring their world, by using their senses, and most importantly, in nurturing relationships with their caregivers. We partner with families with young children to help them find and access high quality early learning programs and resources offered statewide. We also partner with early learning teachers who provide high quality care for all children in King and Pierce Counties.

BrightSpark helps families find childcare that supports a child's unique needs, the family's values, and culture, and fits their work or other activities. Parents have many options for care, including care by a family member, care in the home by a family friend or nanny, licensed childcare, private preschools and Head Start or ECEAP. Staff at BrightSpark talk with the family about their needs and wishes for care; explain what quality care looks like, and then help in the childcare search. If

the choice is licensed childcare, BrightSpark provides a customized list of options. Licensed childcare is expensive, so we help families find resources to pay for care. Children who get safe, nurturing play and learning experiences are ready for school; those who don't are most often the ones who start behind and stay behind. In fact, 55% of children in WA are not prepared to enter kindergarten and the percentage rises to 75% among low-income children. Based in King and Pierce Counties, Washington working locally and state-wide, BrightSpark helps build quality childcare and early learning access for all children. Working with Child Care Providers and Capacity Building: Research confirms that for every \$1 invested in quality early learning for all children, \$7 or more is saved in costs of remedial learning, teen pregnancy, incarceration, and rehabilitation. As a result, we see more graduates, gainful employment, and more stable communities.

BrightSpark supports all types of childcare professionals as they provide quality early learning experiences for children. We know that the role they play for children is significant and we are committed to providing answers to questions, coaching and technical assistance to improve the quality of the childcare program, and professional development opportunities to increase skills and knowledge through the Early Achievers Quality Rating Improvement System. From January - June 2022, BrightSpark hosted 91 professional development trainings hosted by BrightSpark staff trainers for childcare providers in King and/or Pierce County. BrightSpark hosted a Spring Professional Development Institute for 143 childcare providers. This week-long virtual event helped our childcare providers obtain their required training hours.
