

BrightSpark invites you to increase your early learning knowledge by joining our virtual Professional Learning Communities (PLCs)! These PLCs will also provide you with an opportunity to connect with other early learning professionals. Collaborate, ask questions, and get resources!

These communities are exclusively for Early Achievers participants! This includes Family Child Care Providers, Child Care Center teachers, staff members, co- teachers, and teaching assistants.

***Please note that PLCs do not provide STARS hours.**

Below you will find the Virtual and In-Person Professional Learning Communities being offered this month. Each meeting has a different topic, so join one (or more) that fits your needs!

Contact the facilitator directly for the Zoom link to join the PLC. All meetings are virtual unless otherwise noted.
